

Gusmer Enterprises, Inc.

Supplier Quality Representative:

We are looking to fill the role of Supplier Quality Representative at our Waupaca location. The person placed in this position will be responsible for implementing and managing activities to develop company suppliers and supplier processes to prevent defects and improve the quality of incoming parts, products and services.

Minimum Education/Experience (or substitute experience) required:

Two (2) years related experience and/or training

Skills Required: Use of computer and various analysis tools (ERP software, Excel, Word etc.)

This is a full-time, non-union position reporting to the Quality Manager. Minimum education and experience requirements will apply as listed above.

Please submit resumes to dcharles@gusmerenterprises.com or mail to 1401 Ware St. Waupaca, WI 54981.
