

Toasted Oak-Mor is sourced from select American White Oak (*Quercus alba*) that has been processed to a medium plus toast level. This Granular Oak was one of the first barrel alternatives to enter the market and has remained a favorite tool for many winemakers for over 30 years.

USES & BENEFITS

- Toasted Oak-Mor can be used during fermentation or added to finished wines
- Unique toasting process increases aromatic components while reducing harsh and bitter tannins
- Often used to add complexity and finesse to wine flavors and aromas
- As with all of our granular products, Toasted Oak-Mor will not damage pumps
